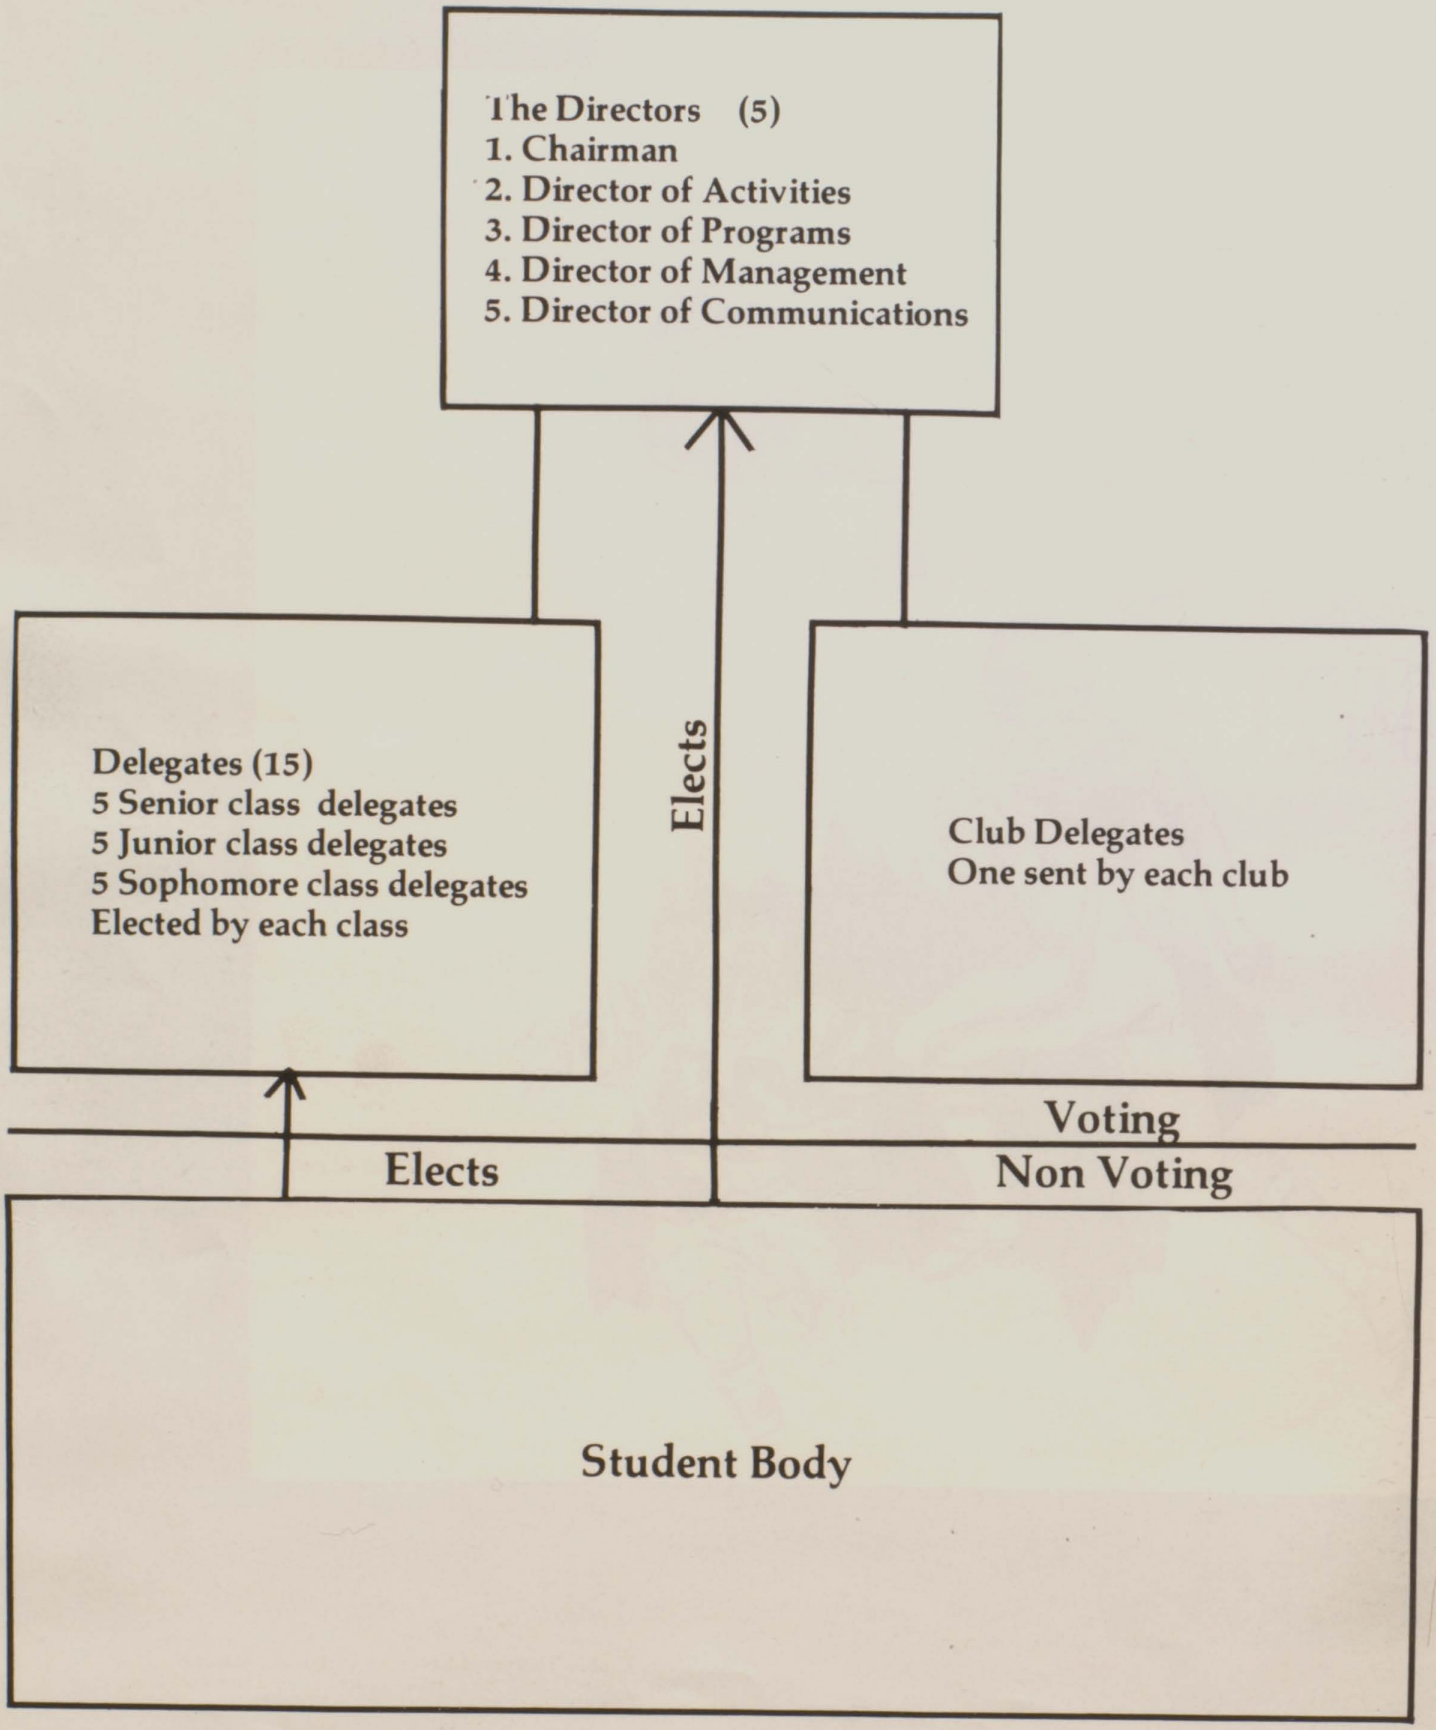
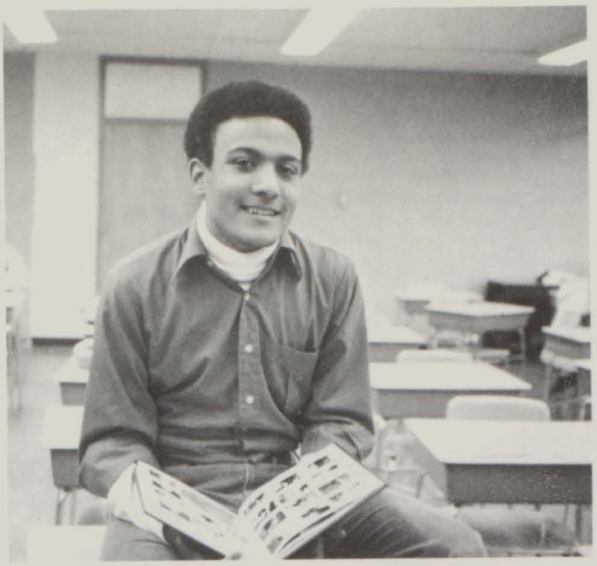
Student Association (Stass)





Leon Jones—My job combines the work of the other directors. I also preside over the Student Association Meetings.

Mary Beth Pallas—Being the first Director of Activities has proved challenging but very rewarding.

Patty Clifford—As Director of Programs I organize and head the special events of the year.

Donna Sergio—Communications determines the success of school activities and the student body participation. One of the goals of Student Association is to involve more people in the school activities.

Kathy Grabo—This year I have been Director of Management. As this director I take care of attendance and finances. It's been fun!

The 1973 R.F.A. Black Knights coached by Don Bruce, Tom Hoke and Tom Myslinski and captained by Ed Richards and Steve Telander finished the season with an impressive 6-2-0 record with the only losses coming against 10th ranked Nottingham and 7th ranked Notre Dame. This fine record was made possible through the hard work and dedication of the team's 15 seniors, 19 underclassmen, and 3 coaches. Finishing second in the C.O.L., the Knights placed 7 men on the C.O.L. All-Star Team: Backs Ed Richards, Tony Coleman and Steve Shoemaker, Linemen John Malorzo, Steve Telander, and Kevin O'Connell with Bill Riley and Mike Tucker named as alternates. Steve Telander and Kevin O'Connell were also named to the All-Upstate and All-State Teams.

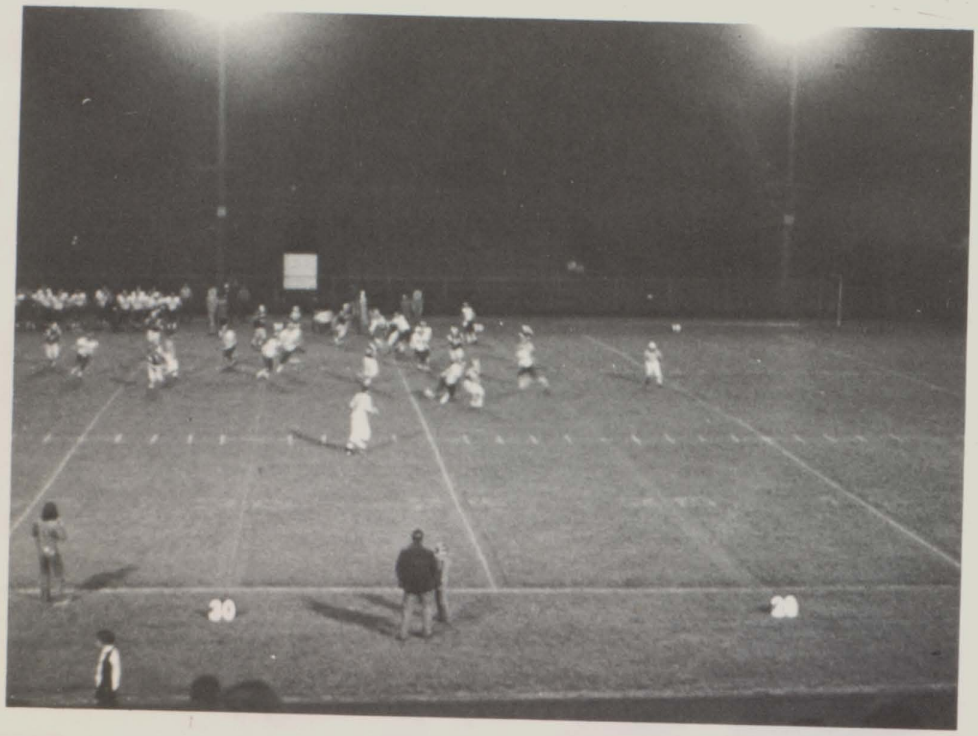
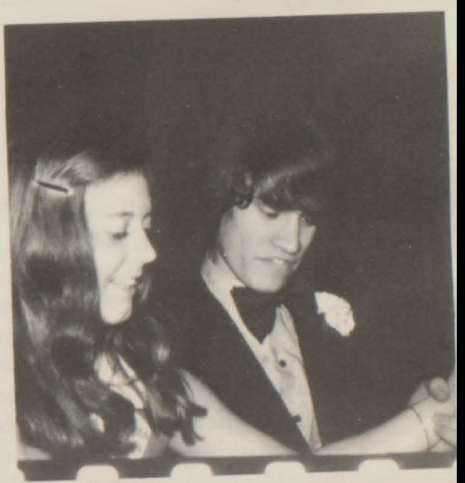
Fall Weekend '73



Beginning with a float parade on Friday afternoon, November 2, R.F.A.'s Fall Weekend '73 got off to its official start. Several clubs spent many hours constructing their own original mobile structure. A trek through downtown Rome began immediately after school. The floats were also paraded at half-time of that night's football game where the 1st place award was given to Student Association's Log Cabin.

Rain-drenched but nostalgic, the half-time ceremony at the R.F.A. vs. Amsterdam game was a success. R.F.A.'s majorettes led the show with boxes of floating balloons and, of course, the R.F.A.Band. The crowning of Shelley Gardner as Fall Queen and her court, Ann Cianfrocco, Cathy Coviello, and Wendy Calnero, climaxed the evening's entertainment.

Early Saturday morning several S.T.A.S. members headed by Mr. Don Boardman began the massive task of disguising the boys' gym into a fall country setting. With a ceiling of balloons, scattered tables, jack-o-lanterns, and the tunes of Train, R.F.A.'s semi-formal was ready to be unveiled. The dropping of the ceiling and the popping of balloons ended a great evening of entertainment for all those who attended.



On Sunday, students shed their suits and dresses and replaced them with jeans and T-shirts for the "Olympics". Pie-throws and a greased pig contest represented tough tests of strength and endurance for all the participants.

And so Rome Free Academy's Fall Weekend '73 gave birth to wonderful memories for the past year and several new ideas for the anticipated one.

Colorful orange and black banners, posters, and buttons are the symbols of R.F.A.'s Pep Club. Throughout the year, its members can be found cheering the football team on to victory and decorating the stadium for Friday night games. They have also been found making spirit-inspiring posters and selling banners to promote Orange Country basketball.

Led by a history teacher, Mr. DeSantis, the Pep Club has organized several traditional activities such as the funeral march and buriel for the U.F.A. coffin after R.F.A.'s victory. A "spirit of R.F.A." float was the Pep Club's contribution to this year's Fall Weekend Float Parade. Pep Club also arranges transportation to out-of-town sports events for the convenience of all R.F.A. students.

Each fall, juniors take the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test. As seniors, the high scorers receive Letters of Commendation, while some of the very highest become National Merit Semi-finalists, who can apply for National Merit Scholarships. This year's senior class had four Semi-finalists, one, Barbara Lim, having graduated last year. The class also produced eight winners of Letters of Commendation. The highest score in R.F.A. was 215.

Echo

The R.F.A. newspaper almost died this year. The organization, which had won many awards in its relatively short existence, suffered great setbacks at the start of the year. The first problem was the loss of financial backing by the Board of Education. The students were under greater pressure to get ads for the paper. The Echo also lost its homeroom, which had served in past years as a school-time central dispatching office. A seven-week absence of Mr. Kan, the club's advisor, and the problems in trying to find a printer for the paper all contributed to the delay in publication. However, the staff's core never gave up and were still making an effort right through April. Co-Editors-in-Chief Roger Fielding and Norm Sturdevant led the students in their drive to keep the Echo going.

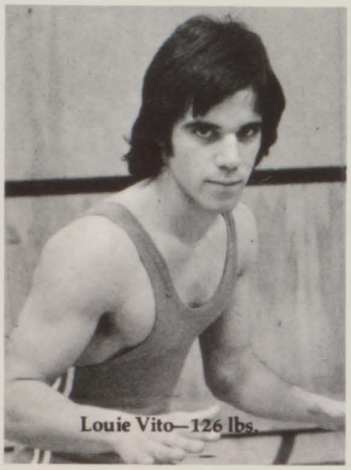
Wrestling

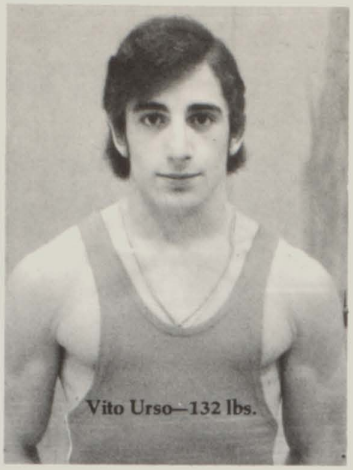
The R.F.A. Grapplers had another winning season this year. The efforts of the team and Coach Jim Rafferty are evident in their fine record of 13 wins, 2 losses, and no ties. Besides this outstanding season of dual matches, the Romans took 3rd place in both the Auburn Christmas and Central New York Wrestling League Tournaments, first place in the C.O.L., and first place in the Eastern Division of the C.N.Y.W.L. The Rome Matmen were led by Tri-Captains Louie Vito, Vito Urso, and Bill Riley.

Coach Rafferty comments on his wrestlers:

"Vito is a team captain and is probably the strongest boy on the team. He has a season record of 26 wins and 1 loss. His total varsity record is 75-9-1. Vito took first in every tournament and third in the Class A competition. He is a senior and the team will miss him when he leaves."



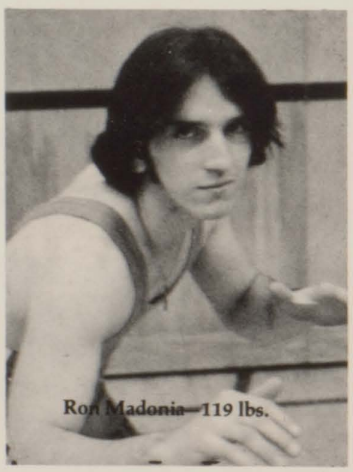
Louie Vito—126 lbs.



Vito Urso—132 lbs.

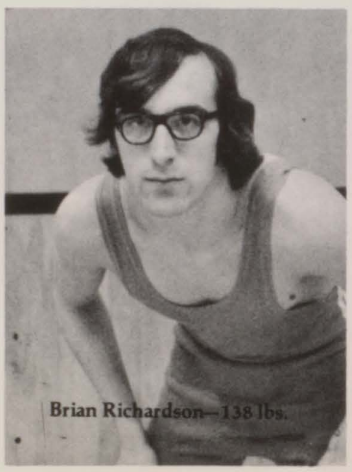
"Brian was always one of my hardest workers. His hustle brought him first place in the Auburn Christmas Tournament and a fine record of 14-4-0. Brian is also graduating and will be tough to replace."

"Ronnie will graduate this June after completing another successful varsity year. He placed third in the Central New Yorks, gained All-Star status and achieved a season record of 14-5-0."



Ron Madonia—119 lbs.

"Lou was our captain for the second year in a row and the team leader. He is one of the most talented wrestlers I've ever coached. His season record was 21-1-0 while his career record boasts 90 wins and only 11 losses. He placed in more tournaments than I can mention, coming in first in both of this year's tournaments. Louis Vito is also the first Rome Grappler to win 20 straight matches and be C.O.L. All-Star 4 years in a row."



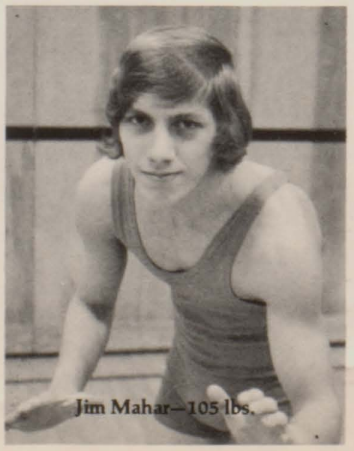
Brian Richardson—138 lbs.

"Jim is a junior and has had a very fine season. He not only placed third in the Auburn Christmas Tournament and second in the Central New York Wrestling League Tournament, but I'm proud to say he also made the Central Oneida League All-Star roster."

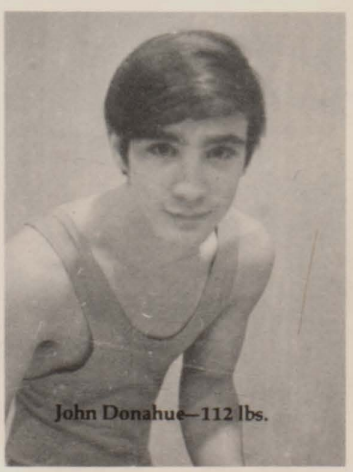
"John is just a freshman with three more years of competition ahead of him. He placed second at Auburn and should prove to be one of our better wrestlers."

Fred Festa—98 lbs.

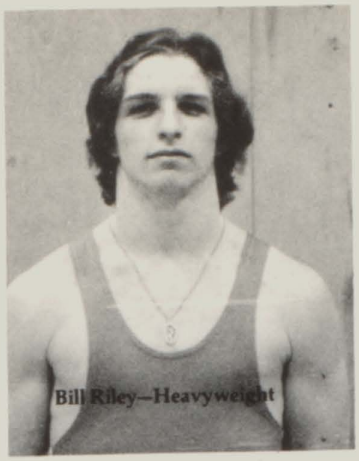
"Though Fred is only a freshman and this is his first season on the Varsity squad, he has compiled an impressive record of 15 wins and 5 losses. Fred also did very well in the two tournaments held this year, placing second at Auburn and fourth in the C.N.Y.W.L. Tournament. I'm looking for Fred to become one of my most outstanding wrestlers in the years to come."



Jim Mahar—105 lbs.



John Donahue—112 lbs.



Bill Riley—Heavyweight

"Bill's consistantly good performances have won a couple of important matches for us. He is a senior and one of our team captains. He was third in the Christmas Tournament, first in the Central New York Wrestling League Tournament, and a Central Oneida League All-Star."

John Yearby—Unlimited

"John saw very little action until the tournaments, where he placed third and fourth. John's a junior and should do well next year."

"Gary had a season record of 16-4, and in the league's traditionally toughest weight class he was second at Auburn. I hope to see Gary go a long way next year."

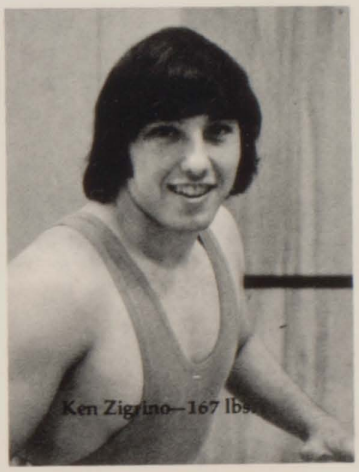
"Skooch has improved a lot since his junior year, winning twelve out of fourteen dual matches. He was undefeated in the Central Oneida League, finished third at Auburn, and fourth at the C.N.Y.'s."



Ken Zigrino—167 lbs.

"Zig is a senior; he finished his high school wrestling career with a 15-4-0 record. He also earned a first place at Auburn and a fourth place at the Central New Yorks."

Jim Mahar

"Filling in for an injured John Filer (a senior) was David Miller (a junior) and Jimmy Pratt (a sophomore). Both boys worked hard and have good wrestling potential."

AFS

A.F.S.—American Field Service—usually has the greatest achievement of all. One member of their club travels to another country to stay with a family. The club also welcomes exchange students from other countries. This year, Anka Janjic stayed with the Austin's. AFS'ers have bake sales, candy sales, and raffles to promote their club. A.F.S. Student

Thanks to A.F.S. I had a great opportunity to come to your country and spend a year in a new community. A year was enough time to get to know people and your way of life, to see differences between two countries, to learn about others and myself.

In this time I've seen so many interesting things and places, met many nice people and the best of all I've got something that will always be with me, in my mind—a great experience.

My hometown is not very different from Rome, looking from the outside, but even there, there are many little things which are different. All this makes me feel important. Important in the meaning that I was able to pick up all these things, to learn, and I know when I get back home I'll tell all my friends about the happiness and understanding that I have found here.

I want to thank all my friends at R.F.A. for helping me find my way and making this year unforgetable for me. Thank you for giving me the best family I could possibly wish for. In my future life I know this will help me a great deal—in my university work as well as in my contacts with people.

I hope we'll keep in touch and if you ever decide to visit Yugoslavia, let me know. I'll be glad to show you around.

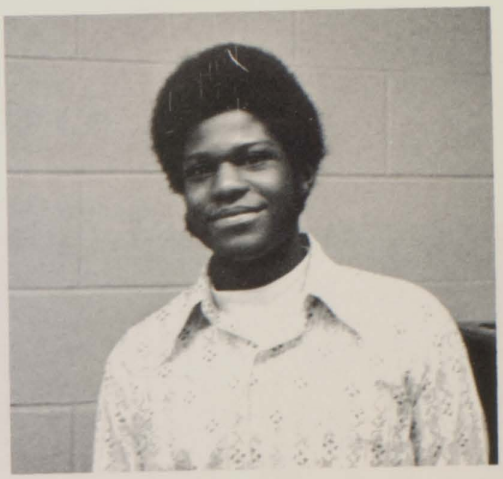
John Jackson



As an American Field Service student in Argentina, I lived with a young doctor and his family. In my city of Firmat, each day offered new experiences. Each morning brought with it a chance to learn more of the people and their culture.

The memories of my school days in Argentina shall remain with me, for I saw so much and made so many wonderful friends. I worked in a factory and participated in athletics at the clubs. Both were great opportunities for gaining insight to the triumphs and tribulations of the people. I was able to grow in other aspects also.

One's knowledge of the culture is not all which might be developed. As I listened and learned more about the Argentines, I learned more about myself. I developed an appreciation for others, became more self-assertive, and independant. I did and saw things I'll never forget—the year was exciting and informative. A.F.S. was a wonderful experience which I hope others will be able to share in, just as I did.

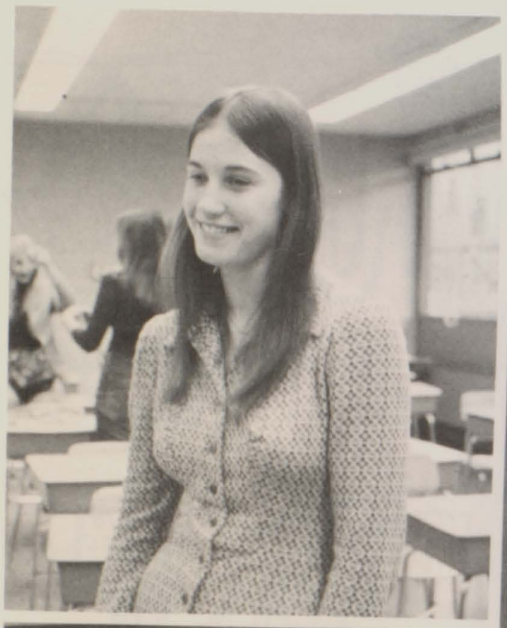
junior class officers

Jo-Anne Tharrett, President



The tasks of the Junior Class Officers include raising money for and scheduling the Junior Prom, placing orders for and distributing class rings, and keeping the Junior class actively involved in student activities. It's not an easy job—but it's one that is well worth the effort.

Sue Hedrington, Vice President

Joe Szczerba, Treasurer

Kathy Parry, Secretary

junior class delegates

We, the Junior Class Delegates, are proud to represent the R.F.A. junior class under our newly adopted constitution. Among our achievements, goals, and plain ol' junior class memories are the Fall and Winter Weekends, the Junior Prom, class rings and the talent show to name a few. Thanks again for the great opportunity to play such a part in our junior class.

Our Motto

It has been our desire to establish these places as retreats where you may find relief from the every-day cares of life. We don't want you to look upon them as restaurants, cafes, or caberets, but as havens where you will be assured of relaxation, and a pleasant hour or two safe in the port of sincere hospitality.
